Collect Leads

What do you need to do?

- Update your **company profile**
- **Add products & services** for attendees to explore
- **Add yourself as a team member** if you are participating in the event
- **Invite your team members** and set their visibility options in the directory

How do QR codes work?

- **Place** the QR code somewhere **visible** on your stand.
- **Visitors scan** the QR code to **collect** company and product information.
- **You collect** the **details** of visitors who scanned your QR code**.**

We encourage you to complete this **before visitors get access to Visit Discover, on [insert date]**.

You can find out more about how to do this in our help centre here.

Access Visit Connect

Visit Connect puts the success of your participation in the palm of your hand.
This success rests on your ability to charm visitors and seize every chance. Make the most of your time on the show floor!

Best regards,
The Visit Team

Visit Connect is designed to operate offline when there is no internet connection. However, you must ensure that all devices are online before the end of the event and are synchronised to the Visit Connect portal.
