

Dear #first_name#,

You have been invited to register as an attendee representing #company# at #event_name#.

As an exhibitor of the event, you have access to Visit Connect, the official lead capture and engagement app for #event_name#.

Visit Connect enables you to collect and qualify leads, share your company profile & product information and engage with attendees before, during and after the event.

What do you need to do?

- **Access** Visit Connect through your browser or mobile app
- **Set your availability** for meeting requests
- Prepare to **collect leads** and **engage** with visitors

We encourage you to complete this **before the visitor app launches on [insert date]**.

You can find out more about how to do this in our [help centre](#) here.

Access Visit Connect directly in your browser:

[Access Visit Connect](#)

Or **download Visit Connect** for your device through one of the buttons below:

Visit Connect puts the success of your participation in the palm of your hand. This success rests on your ability to charm visitors and seize every chance. Make the most of your time on the show floor!

Best regards,
The Visit Team

Visit Connect is designed to operate offline when there is no internet connection. However, you must ensure that all devices are online before the end of the event and are synchronised to the Visit Connect portal.
