

Quick Integration Guide

How to enable the Visit & Jublia Integration

Step 1 - Visit & Jublia Module

Get in touch with your dedicated Account Manager to activate your Jublia subscription.

Step 2 - Exchange event info

Email Jublia with the Event Code & API key from Visit.*
In return, Jublia will provide an Event Code for the integration.

Step 3 - Enable the integration

Add the Event Code sent by Jublia in **Visit Create > Event > Setup >** and click on **Enable Jublia**. Save the settings.

✓ Check the integration

The AI Engagement Hub button will appear in both Visit Connect & Visit Discover.
