discover your event guide
WITH VISIT

Get the most out of #event_name#

Access Visit Discover

Dear #full_name,

Did you know that Visit Discover is a tool that helps you capture relevant information from #event_name#?

All you have to do is:

- **Open Visit Discover** from this e-mail
- **Tap "Scan QR Code"** to open the camera
- **Scan the QR Codes from the exhibitors** you are interested in. Company and product information will automatically be saved in the tool.
- **Come back and review the information** collected
