

# Use Scanpoints to

- ✔ Collect visitors' contact information
- ✔ Share company profile details & product info
- ✔ Trackability of who scanned what QR code
- ✔ Follow up immediately with your visitors

**Name of Exhibitor** - Stand #000

Your Scanpoints are here to help you collect more leads, share product information and company profile details with your visitors and get real time insight into what's going on at your stand.

## How?

Visitors can use their **Visit Discover app** to scan your QR codes and collect profile & product information.

## Where?

Visitors can open Visit Discover via a **'My digital badge'** in the Event app or the registration link received via e-mail.

# Use Visit Connect to

- ✓ Scan visitors' badges
- ✓ Add notes, voice memos or photos
- ✓ Answer pre-set questions for follow-up
