

#event_name# starts soon!

Dear #first_name#,

#event_name# starts soon and we are looking forward to seeing you.

Simple to set up and use, **Visit Connect**, the official lead capture partner for #event_name#.

Scan badges

Simply scan visitors badges to capture their information

Take notes

Make notes, record voice memos, take photos

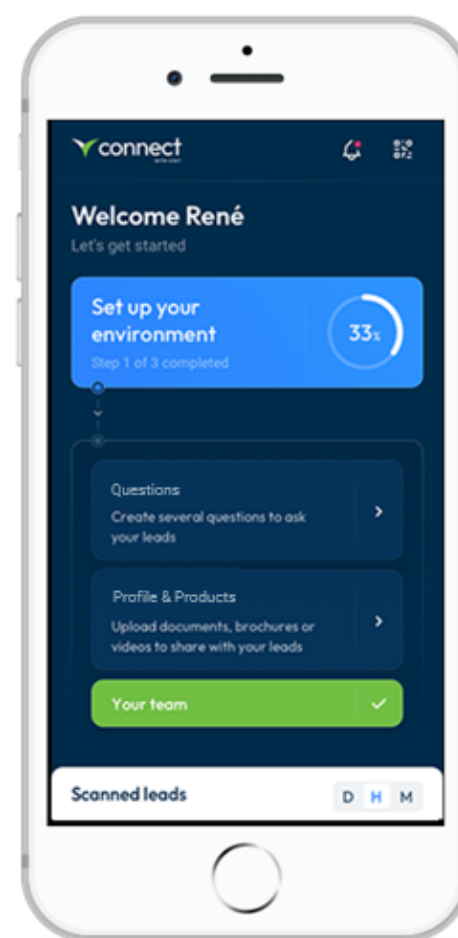

Review & export

Review and export your leads with your wider team

Interested in more? [View All Features](#)

That is what you need to do

1. Log in to your Visit Connect Account
2. Set up any questions you'd like to ask your visitors
3. Showcase your portfolio online by uploading profile & product information
4. Give access to your team to empower them to scan leads as well

Prepare to collect leads

Log into Visit Connect to set up your lead generation tools.

[Log into Visit Connect](#)

Visit Connect is designed to operate offline when there is no internet connection. However, you must ensure that all devices are online before the end of the event and are synchronised to the Visit Connect portal.
